Wife texts husband on a cold winter morning:

"Windows frozen, won't open."

Husband texts back:

"Gently pour some lukewarm water over it and gently tap edges with a hammer."

Wife texts back 5 minutes later:

"Computer really messed up now."

Wednesday Bridge in January

On 20 and 27 January there will be "mentored" bridge for Wednesday players (and anyone else who is interested). Pre-prepared hands will be bid and played, followed by a discussion on how the cards might best be bid and played. So come along, with or without a partner, and see how well your bidding and play matches the recommendations.

The evening will finish with social bridge for those who want a bit more card play.
