Kapi-Mana Open Pairs

June 19

Entries are open for our Open tournament on Sunday June 19

Last year the glory went to Wellington Club players – can a Kapi Mana pair do it this year?

Help is needed to make the day a success!

If you're not playing, but are interested in helping out on the day, put your name on the whiteboard where you can help – Morning tea, Lunch, Afternoon tea – helpers are required for all those spots

We're also holding a raffle, so if you have a spare box of choccies, or some wine you don't like, donate them to the club for a raffle prize 😊

There were these two last bridge players in the Bridge Club bar, which was on the 20th floor of a building.

The first man said " I bet you \$100 I can jump out that window and come straight back in!"

The second man says "OK, sure." and the barman holds the bet.

The first man jumps out the window and disappears for a second before jumping straight back in.

Disappointed about losing the \$100, the second man says: " I'll bet you another \$100 you can't do It again."

So the barman holds the bet.

Sure enough, the first man jumps out the window, disappears for a second, then jumps straight back in.

Thinking he must have caught a freak gust of wind, the second man says "OK, I bet you \$300 I can jump out the window and come straight back In."

The first man says" OK, sure." The second man jumps out the window and falls to the footpath below. He Is dead.

Back up in the bar, the barman says to the first man " Gee, you can be mean when you're drunk, Superman."

What happened at the AGM?

Approximately 35 club members came out on a wet and windy Wellington night to attend the AGM. The evening began with a convivial wine or beer, and nibbles, before the action got underway. And, an action-packed evening it was.

We ended up with a new committee, comprised of:

Margaret Robertson, who remains Club President, **Lorraine McArthur** continues on as Secretary, and **Yvonne Helps** as Treasurer. The rest of the Committee is **Mac Fa'atafa**, **Rod Ferguson**, **Barbara McDonald**, **Tracey Shields**, and newcomers to the Committee **Alan Dyer** and **Radha Sandilya**

We still need a Wednesday player on the Committee – any volunteers?

Post AGM **Dianne Lester** bravely stepped forward to take up the post of Vice-President

There was robust discussion on both remits put forward by the Committee, which were to do with upgrading the men's toilet, and doing away with supper tickers. I think it would be fair to say that the ladies present all learned something when the upgrade to the men's toilet was being discussed!

However, both remits were passed which means the Committee can continue trying to sort the issues with the men's toilet, and supper tickets will no longer be handed out to the players scoring highest in a session.

A remit was also passed that was raised from the floor – the travellers will no longer be printed with the boards. This is to help speed up play, and has an extra bonus of saving the club a small amount of money. However, travelers will continue to appear until the ones printed have been used.

The evening ended with some bridge, with prizes awarded to the winners on the night, and consolation prizes for those that weren't!
