

## Table Talk September 2018

### Health and Safety!

At our August meeting, your Committee has approved a Health and Safety Policy.

[Why did we do that? That seems a bit PC!](#)

Well, to be a good organisation we thought it was a good idea – and we do employ people, so we thought we should have one in place.

We also appointed a Health and Safety Officer, Committee member Rod Ferguson.

The policy will be available to read at the club, along with forms to fill in if you have an accident, or, if you're really keen to read it, the policy is on our website, in the "About us" section

[Do you need to do anything?](#)

If you notice anything that could be a health and safety issue, do tell Rod, or any member of the Committee if Rod's not around. Apart from that all you need to do is be healthy and be safe!

## Have you moved house recently?

If you have, don't forget to let us know your new address and any other contact details that may have changed – email, phone etc.

## Coming up in October

As well as our Intermediate tournament, in October we're also competing for the **Jackways Shield** – this year it's up in Paraparaumu. It's not too early to organise yourself a partner, it would be nice to win it back this year!

Sunday 28th October sees the 2<sup>nd</sup> Wellington Club Champs, being held at the Hutt Bridge Club. We'll need 6 people to make a team, comprising an Open Pair, an Intermediate Pair, and a Junior Pair. If you're interested, talk to a Committee member. This is a competition between the bridge clubs in the Wellington region so it would be great if Kapi Mana could be represented.

## Parking – be good neighbours!

We know there is a bit of a shortage of car parks, but please don't park in the driveway down the side of the Plunket rooms. That is an access way to the house at the back, and, understandably enough, they get a bit grumpy if they can't get in or out!

## First-Level Improvers Classes

Saturday 22<sup>nd</sup> September, 10 – 5 at the Wellington Bridge Club, 17 Tinakori Rd, Thorndon. Cost \$50 including booklet, lunch and handout notes. For more information contact one of your Committee members.

## Replacement Dealing Machine

As our old dealing machine is on its last legs, is no longer supported and there are no spare parts available, your Committee has decided to replace it. This won't affect your play in any way but will make the dealers' lives much easier.

## Thursday Night Swiss Pairs

Thursday night players watch for an email that will be coming your way. We are asking you to respond to whether you still want Swiss Pairs or not. Have a think about it before your email arrives and then you can respond promptly.
