CHRISTMAS PARTY & PRIZEGIVING

Christmas party – Friday 4 December from 6 .30 pm.

The plan is to have drinks first, then dinner at around 7 pm or when it is ready, followed by our legendary quiz, the prize-giving, and finally the raffles.

Please bring a plate for dinner – something for the main, or for dessert.

If you can't attend but would like to buy raffles tickets, those are on sale now. You never know what the Committee might choose as your prize!

See you all there...

DIRECTORS CHOICE NIGHT

MASQUERADE NIGHT

Wednesday 9th December. ALL grades welcome. For a bit of fun please wear a mask. Eye masks or Covid masks acceptable! No partner necessary.

A big thanks from the Committee to Annette, Barbara and Vicki-Lee who came along on Sunday and helped us decorate the premises – much appreciated!

Also thanks from Di to all those who have donated things for the raffle this year. We've been able to put some great prizes, so please do make sure you get your tickets!

Ratings Points for 2021

Each year rating points are depreciated by 20% before adding points earned in the current year.

With no or very limited bridge in 2020 NZ Bridge have decided it would be unfair and act as a disincentive if they discounted the rating points for 2020. This year there will be no discount.

2021 LESSONS

The 2021 lessons will commence on 12th April. \$60 for the lessons and course documentation. If you know of someone who will be interested in taking lessons, please let them know this is coming up.
