NOTES FROM ANNUAL GENERAL MEETING

This was a well attended meeting followed by social bridge. Remits passed uneventfully which means our President can stay in office for a maximum period of 4 years. After some discussion regarding the increase of directors' fees, it was agreed to fund the extra costs by increasing the annual subscription. An email to this effect has been sent to all members by Tracey and subscriptions are now due. Thank you for prompt payment.

We welcome Annette Austing and Cherie Arlidge to the Committee.

There was some discussion regarding the option of finding partners via the website (and not partnership stewards) but this is not possible and the status quo will continue.

There will be some investigation into the suggestion of paying table money via an app or some other non-cash basis. On this subject, in the meantime if members are able to pay their table money with note, not coins, this would be much appreciated by our Treasurer. (Especially old coins that are no longer legal tender!)
