KERR CUP COMPETITION

FRIDAY 12TH March

There's still time to get your entries in for this annual competition against Kairangi. Being held at Kairangi this year. So get a partner and plan to carpool.

COVID LEVEL 2 PLAY

At the latest Committee meeting it was discussed if play could continue through a Level 2 period. As we were the only Club in Wellington who did not play, it was decided that play could go ahead throughout Level 2. Any members who felt uneasy about this, who had recently travelled to and from Auckland or were unwell, would be recommended to not play.

Therefore play will continue next week regardless of whether Wellington is still at Level 2 or returns to Level 1.

2021 LESSONS

SUGGESTION BOX

Many thanks to the person who left the suggestion regarding the Howell movement. It was discussed at Committee level and was decided it is up to the discretion of the Director at the time.
