## 2020 PROGRAMME BOOKS

It'll soon be that time when the bridge books arrive and then the mania to sign up people to play with next year begins. If you roll over this year's partners into next year, now's the time to take stock of that system. Maybe it might be nice to play with someone different? Think about someone you've never or seldom played with to be your partner for a month. You'll get to know someone a bit better, learn new (or pass on your own) bridge tips and still have all the fun of playing. And your "regular" partner shouldn't mind because it gives them the opportunity to do the same thing. Win, win!

"OH FOR HEAVENS SAKE, CHARLIE, JUST LET THEM HAVE THE BID!"
